

EDUCATION

- 2011 - 2008 • BACHELOR OF ARTS (INDUSTRIAL DESIGN)
The Royal Melbourne Institute of Technology
- 2005 - 2004 • DIPLOMA OF ARTS (PRODUCT DESIGN)
The Royal Melbourne Institute of Technology

EMPLOYMENT

- Oct 2018 - Sep 2017 • ART HANDLER / TECHNICIAN
Neugerriemschneider
Berlin, Germany
Freelance (60-140hr p/m)
Galerie Neugerriemschneider represents artists such as Ai Weiwei, Olafur Eliasson, Pae White, Jorge Pardo, Simon Starling among others. Founded in 1994, the Berlin based gallery exhibits in all the major international Art fairs as well as their intensive in-house exhibition program.
Being part of a small and highly professional art handling team, working with high budget and complex installations. Assisting in artwork fabrication, art fair preparation and exhibition installation. My work at the gallery requires a cross-disciplinary skillset, constant problem solving, intense attention to detail, meeting high-pressure timelines and working with a diverse international network. Apart from the in-house program, client installations and off-site test productions, I'm also involved with the galleries international art fair program such as this years installation of Ai Weiwei's Tiger, Tiger, Tiger work at Art Basel Unlimited as well as the fair booth and ever-changing showroom installations.
- Feb 2017 - Jan 2016 • ARTIST ASSISTANT
Anton Burdakov
Berlin, Germany
Freelance / Full Time
Originally studying neuroscience and later sculpture, Anton Burdakov is a visual and installation artist exhibiting internationally.
Providing technical and artistic support for upcoming exhibitions at NIROX Foundation in South Africa in 2016, and another project for Kunsthal 44 Møen in Denmark in 2016. Building on my prior experience working with Anton in 2014 to help realise and produce work for a solo exhibition at Eden Project in the UK. Using my past experience with CAD and prototyping we worked on a mixture of installation based objects.

EMPLOYMENT

- **INDUSTRIAL DESIGNER**
Mar 2014 – Oct 2013
Gavin Bufton Design Studio
Guangzhou, China
Full Time
Established in 2006, Gavin Bufton Design creates furniture, interiors, homewares, lighting and audio products.
Working directly with Gavin Bufton as his assistant, learning his design process and getting first hand experience on guiding a design from ideation to manufacturing. My roles included research development, market analysis, revising designs to better meet manufacturing processes, prototyping and visualisation. I worked with manufactures to improve efficiency in manufacture and improve existing designs. Being part of an intimate team of Chinese and western professionals enabled me to develop my teamwork and delegation skills. Improving on my existing skills in graphic and CAD software.
- **MANAGER**
Sep 2015 – May 2005
Meyers Place Bar
Melbourne, Australia
Full Time (9 months), Part time prior
Widely recognized as revolutionizing Melbourne's iconic, laneway culture, Meyers Place has been operating for over 20 years as a social hub architecture, design and visual art communities.
Initially employed as a part time bar tender while studying which developed into managing the business. I was responsible for the day to day running of business with half a million dollar annual turnover, managing 10+ staff and organising equipment overhaul and renovations. My responsibilities involved: events management, rostering; quality control; money handling and banking procedures; equipment, furniture and interior maintenance and repair; increasing revenue & efficiency, stock control, ordering, supplier liaison; negotiating license compliance issues and maintaining the bar's cultural image.
- **MODEL**
Dec 2016 – Sep 2006
Models1, Exiles, Vivians, Izaio
London, Japan, Australia, Berlin
Casual
Professional model for international modelling agencies.
Editorial photoshoots and catwalks for clients such as Comme des Garçons, Margaret Howell, Fuji Film, Lanvin, Alpha60, Melbourne Fashion Festival and Tokyo International Fashion Festival. I built strong client relationships, maintained high level of self-presentation, time management, cross cultural communication skills and developed an industry profile.
